TOWN BILLS

We apologize for the bills being late this month. We are very excited to begin using the Town's new billing system. The charges and credits will be more clear to you but also there will be options for us in adding information that you may need to know. Some of the payments made didn't make it into the system before we printed the new bills.

VERY IMPORTANT information for YOU to know; the bills are sent out by the 1st of the month and are due by the 10th, this hasn't changed. HOWEVER, if the payment is not received in the office by the 10th, that payment will show delinquent in our system. It is a very precise billing system.

RECREATION DEPARTMENT

Jeanie Petrich, Byron Rec Director, is working hard to plan for the summer Rec activities for your children. Not only will they be able to join in on some fun activities, but they also will have the opportunity to practice being involved in their community, preparing them to be the future leaders of Byron. Along with the summer activities, Jeanie will be having the kids do some community service work. This will allow them a chance to give back to the public and to some neighbors that may need assistance. It will be fun and rewarding, along with learning how to be a partner of the community. If you have any activity ideas for the kids to participate in or want to help with the Recreation program this summer, contact Jeanie at 272-3043.

TBALL

Registrations will be sent home from the schools soon. Jeanie would like for you to contact her if your kids will be involved. The Recreation Department will be paying for their registration this year.

WRESTLING

Jeanie has purchased some wrestling mats for the new Wrestling Program. More details to follow.....

FROM THE DESK OF MAYOR BRET GEORGE

I hope that everyone is staying warm during this recent cold snap. Town employees have stayed busy trying to keep streets clear with all the snow we've received. I'd like the public to be aware that the council has been working on reviewing Chapter 6 of the Town Code which deals with Public Peace, Morals and Welfare. There will be a public meeting in the future to allow for comment on any changes we may make. I have also been working with the town employees to review the personnel policies and job descriptions for town employees. These are currently part of the Personnel Handbook which is supposed to be reviewed very two years. One additional item of interest to the community is that the town has acquired the Home Ec Cottage and we are looking for ideas on how to best utilize this resource. I welcome your comment on this and any other issues.

MAYOR'S LUNCH

There were 26 citizens that attended the Mayor's Lunch last month. It was delightful being able to chat, make new friends and get reacquainted with others. The next lunch will be held on Friday, March 11th, at 11:30 a.m. We currently only have a few people signed up to bring a pot of soup to share. Call the office or stop in to let us know if you are interested in participating in this fun get-together.
